ABOUT TIMOTHY

Timothy Jacob is a Texas country artist whose sound blends the timeless storytelling of '90s country with the energy and production of today's country music.

A singer-songwriter, multi-instrumentalist, and producer, Timothy's musical journey began behind the drums in church before expanding to piano, bass, guitar, and eventually lead vocals.

With a deep appreciation for traditional country and a modern edge, Timothy delivers performances that connect with audiences of all ages. Whether he's performing original music or country favorites, his goal is simple: create a night people remember.

With over 1,000 live performances across Texas, Timothy continues to build momentum through consistent touring and new music.
